"The parallels in mission are huge! Thanks for the wonderful illustration. In the pre-evangelism stage, we are ready to move on to the big bang, figuring that such a monstrous explosion will surely do the job! But oh the heartache and years wasted if we end up with a half collapsed or altered worldview! Do we leave it as is or do another explosion? Or attempt to dismantle what remains piece by piece. God help us to effectively utilize the dynamite of His Word to its fullest capacity!" – Wes Leabee
